DO NOT BE AFRAID

In our world today, it seems there are many things to make us fearful. We can become distraught over personal finances, relationships, poor choices our children are making, issues with jobs, the changing climate, the way our parish is being run, or a zillion other things. The problems may not even be evil but may be simply life and all its challenges. But these struggles are real, and sometimes we seek unhealthy solutions. Many people suffer with issues of anxiety and depression, and fear leads others to addiction as a means of coping. In our Gospel today, God lovingly calls us beyond that darkness to light.
